Warrior Volleyball

Thank you for considering to participate in our 2019 Volleyball Tailgate Party and Auction. Midland Volleyball had another tremendous season in 2018. The Warriors went 26-8 and was one of four NAIA teams to advance for the 6th consecutive year to the National Championship Tournament final site. The Warriors went 21-1 in pool play and advanced to the Final Four before losing to eventual National Champion, Park. Following the final poll after Nationals, the Warriors have been ranked in the top 25 for 63 consecutive polls. This is the second longest active streak in the NAIA.

Midland Volleyball’s success doesn’t end on the court. The Warriors have been very successful in the classroom as well. Midland volleyball has received the AVCA National Team Academic Award each of the last 8 years. Midland had 12 Warriors named as NAIA Scholar-Athletes this past fall, which was the highest number of scholar-athletes for all NAIA volleyball institutions.

When you combine the Warriors on court success along with their success in the classroom and in the community, you understand why Midland Volleyball draws a record number fans every year. Many of our home matches draw 1,500 plus fans including setting a new school record 2,123 fans. The average attendance for Midland Volleyball would rank 51st among all D1 institutions. We hope you will decide to support a great group of young women at this tailgate and auction as well as during the season next fall.
