After the test is completed:

A Negative Drug Test:

If the student is not contacted by their coach/sponsor by the Monday following the drug test this indicates the student has “passed” the drug test and no further communication will occur.

A Failed Drug Test:

- Dave Gillespie, Director of Athletics or Arts Representative will be notified
- Coach/Sponsor will be notified by the Director of Athletics or Arts Representative
- Student will be notified by the Director of Athletics or Arts Representative

The student(s) will have **24 hours to appeal** the drug test results from the time of their notification of a failed test. To appeal you must email Dave Gillespie (Gillespie@midlandu.edu) and request a re-test.

If the student(s) appeal the failed drug test, the arts student or the student-athlete can schedule a retest through the AD/VPSS at an independent lab, at the **student’s expense**.

ALL STUDENTS WHO FAIL A DRUG TEST ARE SUBJECT TO ANOTHER DRUG TEST ANYTIME AT THE DISCRETION OF MIDLAND UNIVERSITY.

Independent test sites and costs are to be determined
